Message from the President

WELCOME TO THE 2023/24 SEASON!

Dear Adults and Participants,

I hope you are all well and filled with anticipation as we gear up for another thrilling season of minor hockey. On behalf of the Brock Minor Hockey Association family, I want to extend a warm welcome back to all our dedicated parents, players, coaches, and volunteers. It's an honour to serve as your President, and I am excited about the journey that lies ahead.

As we embark on this new season, I want to emphasize a few important points that I believe will set the foundation for a successful and enjoyable experience for everyone involved.

- **Remember, It's Just a Game:** While the passion for hockey runs deep in our community, it's crucial to remember that it's just a game. The primary goal is to provide a positive and fun environment for our young athletes. Winning is wonderful, but the life lessons learned through teamwork, perseverance, and sportsmanship are even more valuable.
- **Respect for All:** Respect must be the cornerstone of our association. This includes respecting our coaches, officials, fellow parents, opposing teams (yes, you read that right) and most importantly, our players and children. Our coaches and officials dedicate countless hours to support our children's development, and they deserve our appreciation and respect.
- **Acknowledge Our Volunteers:** It's essential to remember that our executive members and coaches are volunteers who invest their time and energy to ensure the smooth operation of our association. We are committed to serving our membership in the best way possible, and while we may encounter challenges along the way, please know that we will always do our utmost to address your concerns and needs in a timely manner.
- **Improved Communication:** Over the summer, our dedicated team worked diligently to review our Manual of Operations and develop a comprehensive communication plan. Our goal is to enhance communication between parents, coaches, and the association throughout the season. We are committed to keeping you well-informed about important updates, events, and any changes that may arise.

We recognize that effective communication is the key to a successful partnership between the association and our hockey community. Your feedback and suggestions are always welcome as we strive to improve the experience for everyone involved.

In closing, I want to express our excitement and anticipation as we prepare to lace up our skates and take to the ice once again. The energy and enthusiasm of our players is infectious, and it's moments like these that make all our hard work and dedication worthwhile.

Thank you for choosing Brock Minor Hockey Association as your hockey home. We are privileged to have such a fantastic group of families and individuals who share our love for the game. We can't wait to see you at the rink, cheering on our young athletes, and creating lasting memories together.

Wishing you all a fantastic season filled with growth, sportsmanship, and above all, fun!

WILD Dryland Training

THAT'S A WRAP FOR 2023!

A big thank you goes out to Ryan Brethour & the parent/student volunteer coaches for dedicating their time and efforts to our pre-season dryland training sessions.

This program was a first for us and it seemed to be well received by the players who attended.

The focus of this program was on building endurance, agility, and skating related training through a rotation of 3-4 different stations. Not only did players receive 1h 15min of training each session, but they also received additional training ideas through email from Ryan to continue sessions at home.

We hope that all that participated enjoyed the program, and we are hopeful to be able to offer this again in the future.

THANK YOU COACH RYAN!
