# Special Message

Dear Brock Wild Families,

As we find ourselves on the brink of the holiday season, I want to take a moment to reflect on the successes and joys we've experienced together in our local hockey community. As President of BMHA, I am thrilled to report that our season is off to an outstanding start, and I couldn't be prouder of the achievements of our teams and players thus far.

Across all age groups, our teams have demonstrated exceptional skill, determination, and sportsmanship. I am delighted to share that we have seen numerous tournament finalists, with a few teams proudly claiming championship titles. Our regular season record as an association is an impressive 66-29-11, boasting a win percentage of 0.622 – a testament to the dedication and hard work of our players, coaches, and player development team alike.

One of the highlights of this season has been the successful return of our skills sessions, including specialized goaltender clinics. These sessions are not just about developing skills but also allowing more ice time to foster a love for the game. Seeing the smiles on the kids' faces every time they step onto the ice, reaffirms that the essence of what we do as a hockey executive, is driven by the joy it brings to our young athletes.

I am pleased to announce a special opportunity for our U9/U11 players during the holiday break. The Beaverton Town Hockey League has organized a Youth Holiday Hockey Camp, and we are excited to support this initiative. More details can be found within this newsletter, and we encourage our young players to take advantage of this fantastic opportunity to further hone their skills.

As always, your feedback is invaluable to us, and I want to again emphasize the importance of your input in shaping the future of our association. Whether positive or constructive, your thoughts help us improve. Please take a moment to share your feedback via our website – we genuinely appreciate your input.

As we approach the holiday season, on behalf of the BMHA, I want to extend our deepest gratitude to the entire Brock Wild community for your unwavering support. May your holidays be filled with warmth, joy, and cherished moments. Wishing you all a safe and happy holiday season!

See you in the new year!

Matt Gross President, BMHA

HAPPY NEW YEAR!
