Please Remember...

We are all looking forward to the continued progress of all of our Brock Wild teams for the remainder of the 2023/24 season.

Many of you may have heard prior to most games played at home in Beaverton, Cannington and Sunderland, a very important message.

Please support our youth in sport by giving the message a read as well as a listen on game day!

GOOOOOO WILD!!

Hello, and welcome players, coaches, and fans, to the home of the Brock Wild!

Before the game begins, an important reminder: this is a youth game.

The referees and players are mostly kids, learning the game themselves. Let's keep the spirit of sportsmanship alive and remember, it's not the Stanley Cup Finals.

Yelling at Referees, players, coaches, time keepers and other fans is unsportsmanlike, disrespectful tarnishes the game.

Abusive behaviour will not be tolerated, and will result in game stoppage and removal from the premises for those involved.

Now, let's shift our focus to what matters most – having fun, cheering passionately, and enjoying this exciting game.

On Behalf of Brock Minor Hockey, we thank you for your cooperation.

Let the game begin!

OMHA News – NEW Dressing Room Policy

OMHA NEWS: As the Ontario Minor Hockey Association's governing body, the Ontario Hockey Federation (OHF), alongside Hockey Eastern Ontario (HEO) and Hockey Northwestern Ontario (HNO), are the governing bodies for amateur hockey in Ontario and members of Hockey Canada.

The three members have come together to create the Ontario Dressing Room Policy. The Policy comes into effect February 1, 2024.

IN EFFECT FEB. 1ST

The Ontario Dressing Room Policy is focused on enhancing inclusion and safety for all participants on any team or officiating team across the province. Dressing rooms are designated team spaces for all team participants to use and interact in on a welcoming, equitable, inclusive, and safe basis. In addition, to minimize occurrences of maltreatment, bullying, and harassment in the dressing room these spaces now come with minimum attire and supervision requirements, and a requirement to accommodate individuals if they require additional measures or supports.

For more information please see the OMHA website. [Implementation Guide](#).

Did You Know?

Did you know that Brock "Wild" Minor Hockey became a corporation in the summer of 2010 when Beaverton Minor Hockey and Cannington Minor Hockey amalgamated? Sunderland Minor Hockey joined the association 2 years later in 2012.

Prior to the amalgamation and being known as the "Wild", Beaverton was known as the Beaverton "Blades", Cannington was once the "Kings" and also in the last few years the "Sabres", Sunderland was the "Red Wings".
