# Special Thank You

Dear Members,

As we come to the end of another exciting hockey season, it's time to reflect on our accomplishments and look forward to the opportunities that lie ahead next season. Through the highs and lows, it's been the collective effort of our entire Brock Minor Hockey family that has brought us to this point.

I want to express my heartfelt gratitude to each and every member of our association – players, coaches, parents, officials, executive members and volunteers. Your dedication and love for the game have been the driving force behind our success this season.

From our youngest players to our most experienced veterans, every age group has contributed in their own way to the fabric of our hockey community. Some highlights from the season include:

- Our Youngest teams at U7 and below participated in games and jamborees, showcasing their enthusiasm for the sport.
- Our U9 teams performed admirably in season play and tournaments, with several reaching the semi-finals and finals.
- The U11 LL teams achieved notable success in their regular season, as well as tournament appearances.
- The U11 Rep team had a remarkable season, winning 2 Tournament Championships, 2 Tournament Finals Appearances and Finishing the playoffs as OMHA Regional Finalists.
- One of our more dominant Three County Teams in recent years, our U13LL's captured 2 Tournament Championships, Placed as Finalists at the International Silver Stick Finals and finished the season off as Three County "A" Division Champions, with an overall record of 48-3-2 on the season!
- Our U13 Rep Team demonstrated skill and determination with a strong finish to the regular season, and finishing the playoffs as OMHA Regional Finalists.
- The U15LL teams both had great seasons, earning multiple tournament victories, and ended with our White team finishing as Three County "A" Division Champions
- The U18 teams showed resilience and determination in their division finals and tournaments.
- Overall, our association achieved an impressive record of 222-142-27 this season, one of our best in recent memory.

While wins and losses are part of the game, true growth comes from the journey itself. We've witnessed remarkable progress and teamwork across all divisions, thanks to the dedication of our players and coaches.

As we head into the off-season, let's maintain this momentum and focus on improvement. Let's reflect on our successes and challenges, and set ambitious goals for the future.

In addition, let's continue to be leaders in fostering a culture of respect, fairness, and inclusivity within our association. Whether on the ice or in the stands, let's uphold the values of good sportsmanship and camaraderie.

Thank you all for your passion and commitment to our hockey community. Together, we've made this season one to remember, and I'm excited to see what we can achieve in the seasons to come.

Here's to a rewarding off-season filled with reflection, growth, and anticipation for the adventures that lie ahead.

Warm regards,

Matt Gross  
President  
Brock Minor Hockey Association
