Message from the President

WELCOME TO THE 2024/25 SEASON!

On behalf of the entire executive team, I am excited to welcome all our players, parents, and supporters to a new hockey season! We're looking forward to a fantastic year on the ice, full of learning, growth, and plenty of fun.

We are excited to continue our commitment to building hockey skills for all players in our association. Whether it's through our local league or rep teams, we strive to field competitive teams at every age group and category. Our focus is on providing every player with the opportunity to develop their skills, build confidence, and enjoy the game.

At BMHA, our goal goes beyond just hockey—we aim to create a positive environment where respect and fair play are at the forefront. Whether you're cheering from the stands, coaching from the bench, or lending your support behind the scenes, we ask everyone to keep sportsmanship as our top priority.

We also have some exciting updates to kick off the season! Our apparel store is now open until October 2nd, so don't miss the chance to grab your Brock Wild gear. Visit [our store here](#) to show your team spirit!

Throughout the season, we'll keep you informed with our monthly newsletter, which will be sent straight to your inbox and available on our website, www.brockminorhockey.com. This newsletter will feature important announcements, upcoming dates, and all the latest news from around the association, so be sure to check the website regularly as well.

We are committed to being transparent and welcoming to feedback. If you have any questions or concerns throughout the season, please don't hesitate to reach out to any of our executive members. We're here to listen and will do our best to address and resolve any issues.

We can't wait to see what this season has in store for all our players. Let's make it a year filled with positive experiences, great memories, and most importantly, fun!

Here's to a fantastic season!

Sincerely,
Matt Gross

WILD Dryland Training

A big thank you goes out to Ryan Brethour & the parent volunteer coaches for dedicating their time and efforts to our pre-season dryland training sessions for the 2024/25 season.

This was the second year for this program, and we would like to thank all our participants for attending.

The focus of this program was to build endurance, agility, and skating related training through a rotation of 3-4 different stations. The participants worked hard each week while learning proper form.

We hope that all that participated enjoyed the program, and we are hopeful to be able to offer this again in the future.

THANK YOU COACH RYAN!
