

# WHAT'S IN IT FOR YOU?

- Make a meaningful difference by supporting your community's future.
- Join leading supporters and be recognized for your impact.
- Contribute to building a vibrant and inclusive town.
- Help create recreational opportunities for residents of all ages and abilities.
- Support a year-round hub for community events

## ABOUT SUNDERLAND LIONS CLUB

Established in 1955, the Sunderland Lions Club has been a steadfast supporter of Sunderland and the surrounding area through a wide range of fundraising activities, including lotteries, concerts, scrap metal drives, and food booths at local events. Funds raised have helped local families, supported schools like Sunderland Public and Brock High, youth sports, music festivals, youth theatre and various community projects such as upgrades to the arena, park, and the historic Town Hall. With just 12,000 residents and a limited non-residential tax base, much of our fundraising goes towards enhancing Township of Brock facilities.

# WHAT'S INCLUDED IN THE PROJECT?

## WHY UPGRADE THE ARENA?

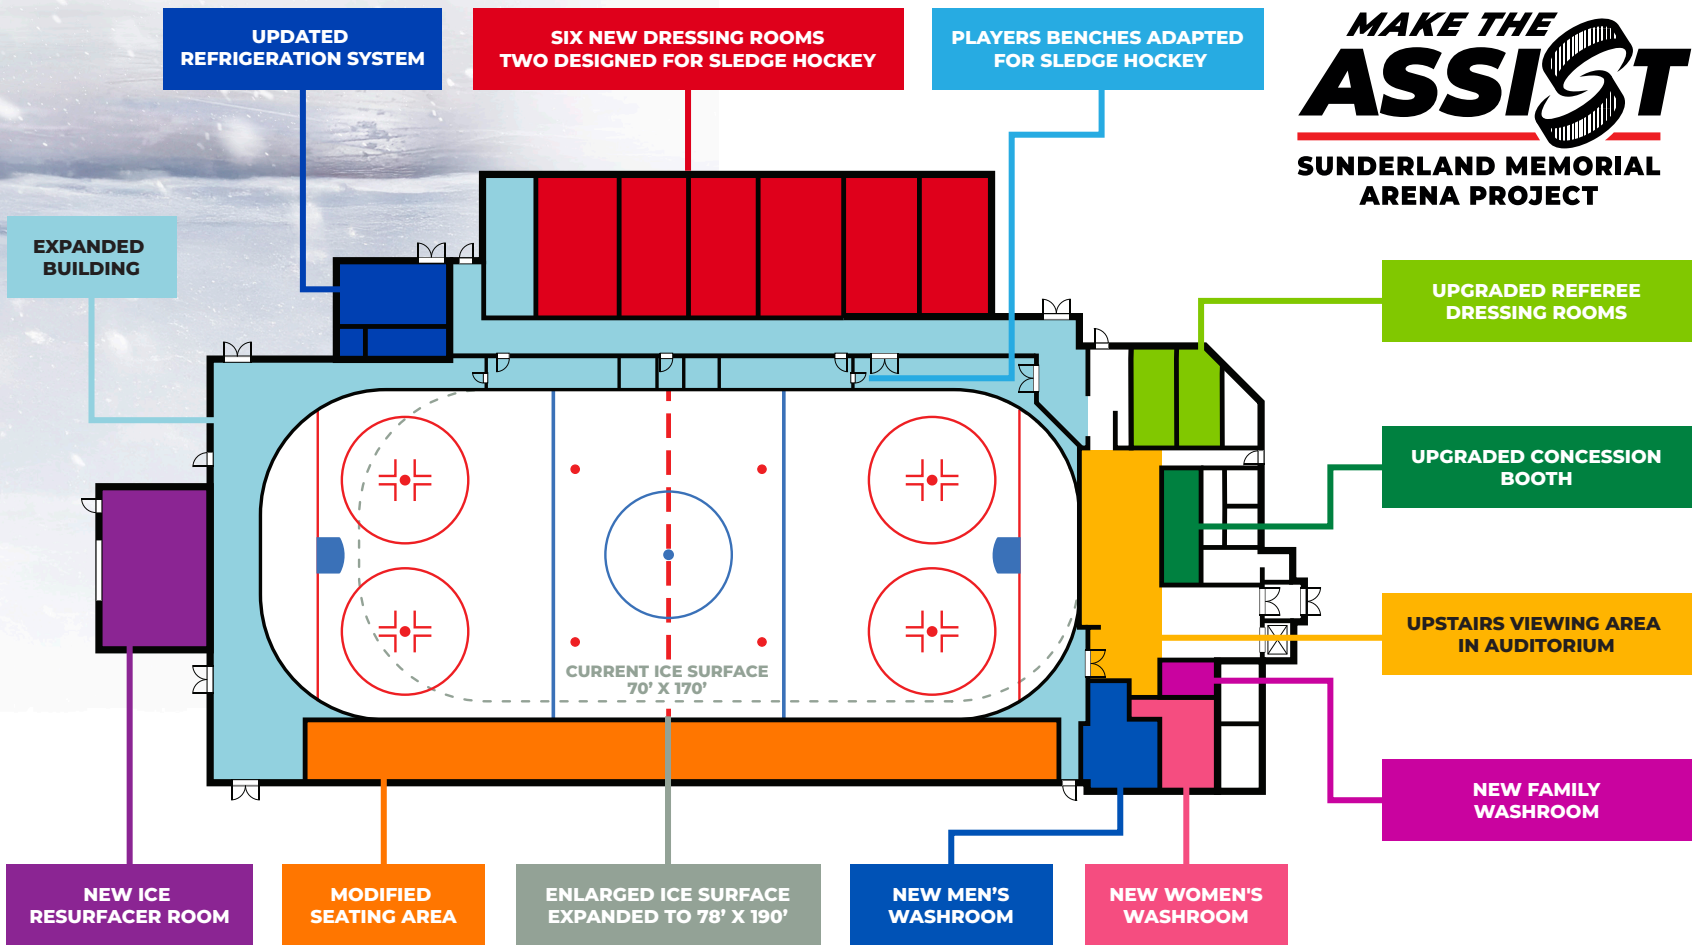

The Sunderland Memorial Arena is urgently in need of critical renovations to meet modern safety, accessibility, and functional standards.

The current ice surface is undersized, limiting usage and creating scheduling constraints; an expanded surface is essential to support rising demand from user groups.

Outdated and inadequate dressing rooms restrict our ability to host tournaments and fully welcome diverse participants, including women's and youth teams.

Population growth in our community is placing significant pressure on existing recreational infrastructure, making expansion a necessity.

The arena serves as a vital, year-round hub for sports, local events, such as Sunderland Fall Fair, school programs, and other community gatherings.

## It's more than a rink. It's our community hub!
